1. Home Page

2. Login to see Appointment Details

3. Registration Successful

The screenshot shows a web browser at localhost:3000 displaying the 'Doctor Finder' application. The 'Authentication' modal is open, with the 'REGISTER' tab selected. The form contains the following data:

- First Name: UpgradOne
- Last Name: BuddyOne
- Email: upgradone@gmail.com
- Password: (masked with dots)
- Mobile No.: 9876543210

A green message 'Registration Successful' is displayed below the form, and a blue 'REGISTER' button is at the bottom.

4. Registration Validation

The screenshot shows the same 'Doctor Finder' application with the 'Authentication' modal open. The 'REGISTER' tab is selected, but the form fields are empty and each has a grey error message: 'Please fill out this field'. The fields are:

- First Name *
- Last Name *
- Email *
- Password *
- Mobile No. *

The blue 'REGISTER' button is still visible at the bottom of the form.

7. Login Validation

The screenshot shows a web browser at localhost:3000 displaying the 'Doctor Finder' application. The header is purple with a logo and a 'LOGIN' button. Below the header, there are two tabs: 'DOCTORS' and 'APPOINTMENT'. The 'APPOINTMENT' tab is active, showing a message 'Login to see appointments'. Below this message is a modal titled 'Authentication' with a purple header. Inside the modal, there are two tabs: 'LOGIN' (active) and 'REGISTER'. The 'LOGIN' tab contains two input fields: 'Email *' and 'Password *'. Both fields have a placeholder text 'Please fill out this field'. Below the password field is a blue 'LOGIN' button.

8. Login Valid Input

The screenshot shows the same web browser at localhost:3000 displaying the 'Doctor Finder' application. The header is purple with a logo and a 'LOGIN' button. Below the header, there are two tabs: 'DOCTORS' and 'APPOINTMENT'. The 'APPOINTMENT' tab is active, showing a message 'Login to see appointments'. Below this message is a modal titled 'Authentication' with a purple header. Inside the modal, there are two tabs: 'LOGIN' (active) and 'REGISTER'. The 'LOGIN' tab contains two input fields: 'Email *' and 'Password *'. The 'Email *' field now contains the text 'upgrad@' and has a red error message 'Enter valid Email' below it. The 'Password *' field has a placeholder text 'Please fill out this field'. Below the password field is a blue 'LOGIN' button.

12. Book an Appointment

13. Timeslot Validation in Book Appointment

The screenshot shows a web browser at localhost:3000 displaying the 'Doctor Finder' application. The 'Book an Appointment' form is active, showing the following details:

- Doctor Name: Blossom Valentine
- Date: 05/13/2023
- Timeslot: 12AM-...
- Medical History: Fever
- Symptoms: cold

Buttons at the bottom include 'BOOK APPOINTMENT', 'BOOK NOW', and 'VIEW DETAILS'. A 'LOGOUT' button is visible in the top right corner.

14. Slot not Available

The screenshot shows the same 'Book an Appointment' form, but with an error message overlay. The message reads: 'localhost:3000 says Either the slot is already booked or not available'. The form details are:

- Doctor Name: Kennan Hess
- Date: 05/13/2023
- Timeslot: feve
- Medical History: c

The 'BOOK APPOINTMENT' button is highlighted, and an 'OK' button is present on the error message overlay.

15.View Appointment Details

The screenshot shows a web browser at localhost:3000 with the 'Doctor Finder' header. The 'APPOINTMENT' tab is active. The appointment details for Dr. Blossom Valentine are displayed, including the date (2023-05-13), symptoms (cold), and prior medical history (Fever). A 'RATE APPOINTMENT' button is visible at the bottom of the details box.
